MONTHLY REPORT, CONTINUED (Original and 6 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

As I started of with the work here things did not look so well after what happened last Spring, 20 of our members bought homes some in Juneau, and some in Sitka, about 32 active members were left.
The Salvation Army put on a good program for our young people, and the women of the village, in the last 2 yrs. I was Told by a lot of our people that one program was enough However, Mrs. Betts reorganized the women of our church, it will take a lot of work to keep it agoing.
What we need is the study of the Bible, so I ordered meterial for Bible study, At present we are working out a program for our Children. The Assemble of God has a worker here so we have 4 diffrent Churches here trying To work out a program for about 150 people.
The Sunday Church School is going on good.
There was a lot of drinking going on but since loosing 3 persons throug drinking Things has quieted down.

I feel that the Lord is working wonders. You will be hearing a lot more about the trouble over the (writer Craft) trouble that broke out last Spring. during the Month of Feb. some of the families have made up, shook hands, yet there are some of the people that does not want to make up but our friends are praying for us. Just started our young Childrens work they are taking a lot of intrest in the work. Some how there is very little drinking going on. the attendance is much better

For about 25 years the people here were unsettled for some wanted to move away as there is no harbor,not enough water but it is now settled that they will not move so the Government is helping by putting a new road through the village a new school will be built and a water well will be drilled.
Our Church is a bit small,we had 133 Easter evening and I just don't understand how we packed them in,we could use more room for our Sunday Church school.
I think that our church here should be supplied ever Sunday,I missed two Sundays while away to Presbytery and the Prince-ton-Hall and our attan ce in church and church school went right down.
However,we are getting a good start.

The fishing season is closing the last of Aug. it will be a week before the people will be moving in. fishing was very poor the past season, most of the boats did not make expences.
Angoon, had board walks, but a new road has been build connecting the Killisnoo road. all along the front has been filled in with gravel, a bulk head was build, a well is being drilled for water, this of course will be for the new school that is to be built. There were no children in the village so there was no Church School

The people are back from the canneries, as I reported that it was a poor year, it was so bad that the pay of wives were taken to pay on their husbands fishing bills, the fish and wild life opened a fishing season but the fishermen got no fish, however, just about all the families are smoking fish and putting or canning fish and deer meet. Two wells were drilled that supplies 12½ gals. a minute, the village will get the use out of it expect to get a full program start in Oct. as our church school teachers just came back.

Mrs. Betts, is now in bed with the cancer.

We are just getting started with our winter program, the people are still busy putting up their winter's supply of food. About this time of the year the people of our villages are busy with their Alask Native Brotherhood program. About 5 families moved looking for work, this cuts down our church school, there is hardly any drinking going on.

We are still working on the "Witch Craft" trouble that broke out before I came, the people are friendly towards one another. I am sure that we have friends praying for us. The session are trying their best to fulfil the $400 promised.

You will notice that about november the work seems to pick up. Angoon is just as bad in giving parties for the departed dead, very few that does not take part. Owing to last summers poor season, about 1/3 of our people are spending the winter away from Angoon. However two which took part in the witch craft, repented and joined our Church two weeks ago Owing to My wife's sickness, I am so busy. we are planning on starting our Choir just as soon as our leader returns, There has been very little drinking going on. I am not sure but the session aked Samuel Johnson our treasure to sent in $100 and at another or later meeting was asked to send in $50 more, Mr. Johnson is in juneau at present

The people of the community are taking a lot more intrest in the work of the Church. Owing to the sickness of Mrs. Betts, I was unable to carry out the programs I planned. our nurse left angoon about the first of Nov. so I had to take care of Mrs. Betts. the Lord took her home the last day of the year. So after resting up I plan to start a week day Bible Class with the Children / White Cloud slip made out. / 2/8/59

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The highlight of January was my extended tour through Ketchikan, Juneau, and Sitka. I went to Ketchikan to play basketball with the Craig-Klawock All Stars, then went on from there to Juneau, where I had a meeting with the Council of Presbytery. While there, I was busy visiting the governmental agencies on behalf of the city of Craig to see what could be done to get water, law enforcement, and a suitable road between Craig and Klawock. I visited several of the different governmental departments such as Territorial Police, Education, and Alaska Public Works, beside the Forestry Departments. I had several talks with Waino Hendrickson, the Secretary of Alaska, and finally one talk with the Governor. I certainly felt that they were interested in the small communities and that they were going to do all that they could to help us. The Governor is using his forced account funds to repair and re-do the Craig-Klawock road, for which we are all thankful. I certainly enjoyed the fellowship that I had too in Juneau with the ministers and their families. I went to Sitka for a few days. I talked with all of the young people in our schools there, both at Edgecumbe and Sheldon Jackson. There must have been about twenty-five of them there altogether. Then I also visited some our paitents in the sanitorium and hospital from the two towns. At Sheldon Jackson, I led in two morning chapel services, and thoroughly enjoyed a little workout on the basketball court with the Junior College kids. Bill Gavin and I played against them. All the way around, it was a wonderful trip. I feel that a lot was accomplished, especially in Sitka where I renewed my acquaintances with the kids there and met a lot of new ones as well.

While I was gone, the Princeton-Hall arrived and took my Sunday services. That was perfect timing.

Also in January, Mrs. Hensyel, the Pentecostal minister, left Craig and Klawock. There is a new couple here now. Mrs. Hensyel must have (this is facetious) had a loss of her faith, since she succombed to what I suppose amounted to a nervous breakdown accompanied by some heart trouble. She really had quite a battle with the Salvation Army man in Klawock. She had Lt. Colonel Kurtz of the Salvation Army from Anchorage come all the way to Ketchikan because she had innumerable charges to bring against the local S.A. man. She had a total of 53 charges or so that she took into the Asst. D.A. in Ketchikan, and I guess he just about laughed at her. Naturally, she implied my name in it all, so I wrote a letter to Lt. Colonel Kurtz trying to straighten things out. We have been working very closely in Klawock with the Salvation Army, and have come to the place where we do not co-operate at all with the Pentecostals. The new couple are just as emotional as Mrs. Hensyel, but as yet, do not appear to delve into all of the gossip and intrigue that has been going on in recent months. The Pentecostals have really hurt themselves; in fact it appears that they have hurt also the Cause of Christ, and not only their Church.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The most influential happening of the month was the flu epidemic that hit Craig during the last two and a half weeks. Everybody in our family got sick except me. I substituted in teaching school a couple of days when a number ofthe teachers got it. Finally, however, they closed the schools for at least a week and a half, and possibly two weeks. They are still closed now. There was a ban on all public meetings, so after consultation with the elders, we decided to close the church for the last Sunday of February and the first Sunday of March. I did very little visiting in Craig during this time for fear of catching it myself, or of taking the germs to others. Most of the meetings in Klawock went on as usual, with the exception of our young people's meetings. The Klawock people also put a ban on people from the two towns getting together. As a result, the Pentecostals called off a healing and evangelistic campaign that they were planning for Craig. In fact, the man had arrived from Ketchikan, and had to go back.

On February 28, the Salvation Army Hall in Klawock was completely gutted by fire, so we have offered them the use of our church until further arrangements can be made. It is giving us a chance to return the favor of them letting us use their church while our new one was being built.

On Sunday, March 2, we finally had it out with our two delinquent elders in the Klawock Presbyterian Church. They were the ones who were continually going to the Pentecostal Church. The one especially had been a Pentecostal in attitude and worship. He was emersed by them, he continually went to their services and never came to ours. So, we finally let them know our feelings, and the feelings of many of the people in town. I don't know what the out come will be. During the long, troublesome meeting they both requested that their names be taken off of the books. We told them that we needed them in the church if they would give the church their whole support. I advised them to think about it for a week or two, which they are doing. So it will be a while before we know their actual decision. Some of the elders were a bit outspoken in their feelings, but it was something that most of us felt was hurting the church and something that really had to be done. I let most of the remarks come from the elders themselves, and I was merely the Moderator until the end of the discussion at which time I gave my remarks.

The Women's Organization in Klawock has now begun again, as of January. I have not been able to get the attendance count, or rather, I forgot to get it. But they are doing fine. They have held several sales, although neither my wife or I have had a chance to really talk with them about their program. But the thing I like about it is that they have begun it themselves. They want to send delegates to Presbyterial. The Klawock Sunday School is also running at full steam, and they have picked up tremenduously after introducing the Faith and Life Curriculum. Both the teachers and students enjoy using it.

MEETINGS AND ACTIVITIES - Sheldon Jackson Choir

Attendance - Craig 61 Klawock 74

The flu continued over into the first week of March, and still caused some limitation in our Church program. In Craig, we had no church services the first Sunday, so we had a lengthened Session meeting during the morning, and a Trustees meeting in the evening. We had much discussion regarding our Church Roll, and so they are planning to streamline it even more. It certainly is wonderful working with a young Session.

The Salvation Army is using our Church in Klawock on Sunday mornings and evenings.

The elders from Klawock who were chastized in our Session meeting last month have reportedly joined the Pentecostal Church. They have cooled off, and I think are now feeling the effect of being ostracized. The people of the community are in complete agreement with what the Session has done. We will not take their names off of the books until some time elapses, so that people will know that it is their decision to leave, and that we didn't "kick them out". I still send notices to them of our Session meetings because they have not given us formal notice of their intentions, and so that they will know that they haven't been "kicked out".

I think that one of the most wonderful things that has happened to our two churches here is the Church Officers Training. I can certainly see that this is what we need badly, and from our Sessionsthat we have had together have been extremely profitable. I am very satisfied with them, and feel that they have grown spiritually as a result of them. This is in regard to both towns.

Toward the end of the month, the Sheldon Jackson Choir came to our towns. They did a wonderful job. Perhaps one of the most impressive things to me was that these young people seemed to have a sense or a deep feeling for what they were singing. They appeared to be very dedicated young people. They also made a tremenduous impression on the young men of Klawock, many who are out of school, and on the young people of both towns. They really made our towns sit up and take notice. It was one of the best things that could have happened to us. Klawock showed more interest than Craig, on the whole. Klawock gave more money than Craig in their offering, and they put on a magnificant spread in the school for them. They outdid themselves in preparing the food and arranging it on the tables. I have never seen it done so superbly before. (Which shows that they can put themselves out when they really want to.) In Craig, the young people took showers in the school dressing rooms, and sang before the school children, who enjoyed it tremenduously.

In Klawock, a number of the men in the church began the week or two weeks before Easter to work on the Church. We got one side completely finished with siding. We finished the interior windows, built stairs to go up to the balcony, and walled in the other room which is unfinished as yet. I hope that this will be only the beginning, and that the enthusiasm will continue this fall. I think that it will provided that the same people are in town.

Craig Session - Second week - 5 present

The Craig Choir showed no spark at all, plus the fact that for about two or three weeks, the people in town were down with the flu. This meant that there was no Easter Choir in Craig this year. But the people in Klawock, who from the beginning, wanted their own choir, responded very well. They sang very well. We had about twenty-eight voices singing in it. It was about the best choir that we have had since we have been here, and I'm sure they all enjoyed it. The Klawock people certainly enjoyed it because it was their own choir, and because they could compare it with the same cantata, which was sung in previous years under different directors. There was not as much enthusiasm in Craig, of course. I think that in some cases, we have the advantage of having these two churches yoked together. We ca n sometimes work a "holy competition" between them. As long as this is not pushed too much, it will work out alright. So far it has worked on numerous occasions.

We had two young mothers join our church in Craig at Easter. They are both fine young women, and will be a valuable asset to the church. Neither one had before made a public confession of Christ and joined the church.

The Communion services at the two towns were very fine. The Salvation Army joined in with us in Klawock and we had a fine time of Christian fellowship.

We accomplished a major victory in Craig by getting Fred Hamilton to go to Presbytery as our elder delegate. He is eminently qualified. But various ministers and Christians had been working on that for years. Then when he did go, he was thrilled with it. He thoroughly enjoyed it, and has talked about going back next year. However, I am still in favor of rotating elders because we have another one who hasn't gone.

The Klawock Session passed two resolutions. One to ask for their own resident pastor. The second alternative was to have the Craig pastor live in Klawock for a year. Now that Presbytery has quashed these two, feelings have generally calmed down. It was quite discouraging to see that there were only eight out to hear our Presbytery reports. I think that many were probably afraid to hear the bad news that they already knew. The people in Craig turned out well to hear the Presbytery reports.

While I was at Presbytery, I had a sermon taped and given at Craig. It worked out the best yet for any time when I was away from the church. 25 came out. In Klawock, Mrs. Rowan was asked by the Session to speak. She became sick, so everything fell through, and only four showed up. I have been trying to give Mrs. Rowan a little encouragement since her witchcraft episode last Thanksgiving. She has become quite active, along with her husband, in the Salvation Army. He has always been a member of the Salvation Army!

Things are pretty active in Craig at the present time. We have a visiting dentist here now. They are working on the road on a shift of twenty men, ten from Klawock and ten from Craig. Libby's is active building their warehouse, etc. The sawmill is completely static.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The Pentecostals have been doing some curious work in the past few months. After the Hensyel' s left, they had Mr. and Mrs. Willis here for about two months. Then when they left there was a sort of "floating evangelist" who had come in for a few weeks. He baptized everybody, and then they found out to their amazement that he was only a Sunday School teacher. Now the Hensyel's have returned which forbodes no good for Klawock, I'm afraid. They are living in Klawock. She is very sick, at least according to her own reports.

On May 1, George Demmert, one of our Ruling Elders passed away. He was a good man. When it came time for his funeral, I was asked by the family to go and visit Charlie Demmert, his brother in Klawock who hasn't been speaking to him in many years. After several of us visited with him, he decided that he would come and have one last look at his brother whom he hadn't seen in many years. It was a very good thing to see this reconciliation, even if it only came as the result of death. It at least helped to reconcile the remaining families.

Besides this funeral during the opening days of May, there was a government dentist which I helped transport both him and the children to convenient offices for dental work.

We had the Baccalaureate service for the graduating young people from the eighth grade in Klawock, and I gave the sermon. We also had the actual graduation services in the church later on in the week. The Salvation Army is still using our church for services even though they don't have many attending either. I also made a trip to Edna Bay this month which was very enjoyable and successful I would say.

A very fine thing happened a few weeks ago (Actually during June). We had our usual Sunday afternoon summer service in Klawock. The three Bible School girls were present, an elder and his wife, another adult, and two or three children. After the service, I went down to get the offering, expecting the usual nickels, dimes, and quarters, but to my amazement found a fifty dollar bill and a ten dollar bill folded together in the collection plate. He is an elder who was elected this past January. He has a wife who drinks, but he made the promise that he was going to do his best, and so far he has done a good job of being elder. He also decided that he was going to tithe. So this offering was the result of his tithing. He had given me money before, so he is holding true to his promise. It is very encouraging to see people doing some tithing. There are others who have made stabs at it, but have not come through consistently on it. It is good to see the Holy Spirit working in their lives.

Sorry that I was late with this report. I can blame it on my Treasurer this time. I can't make out my June report because she still doesn't have the figures for June ready even though I've been to the house about five or six times.

UNIT .....

This was my most fruitful trip to Edna Bay so far. Four of the young people there have sent in their registrations for the Junior High Camp, and the Sunday School teacher is signed up to go to the Leadership Training School in Ancharage. The later development is especiallywonderful. The Community Club of the camp is going to send her. Then when it was discovered that the boat couldn't pick her up, she volunteered to pay her way up to Juneau. So, she really wants to go. It will do the Sunday School an inestimateable (?) good. She has had no training at all like this.

The economic situation in Edna Bay is not good. They were laid off for about five months this last year, and things look very bad for the coming year. The Hollis camp is closed down, and it may very well be that Edna Bay will be closed down around July or August, unless they are allowed by the Pulp Mill to cut more logs.

Our attendance at our one service was very good. The best yet. There were six men among our seventeen adults present, and that is a record. I believe that with constant ministering to these people, that this will increase. I arrived in Edna Bay on Monday, and stayed until Thursday, one more day than I had planned. That just about shot my week as far as Craig and Klawock are concerned. I felt, however, that I had accomplished a great deal. I had one very long talk with one particular logger about what a Christian ought to be. I feel that he is looking for something, and that we can give it to him. I left him, "The Christian Answer to Life's Urgent Problems" which I feel is the best possible material of its kind. I will continue to keep in touch with him. The people in Edna Bay are almost completely unchurched. They are not antagonistic to the church, its just that they just have no idea as to what the Church is, or what it does in the lives of individuals. So, we are starting from scratch. I have made some very fine friendships with many of the men and women. I think that in time, that I can win them to a faith in Christ. But it will take time.

It has bothered me as to what our ministry will be to these people. My feeling now is that I would like to continue to minister to them, because I have already made a dent with them. However, my time is limited, as far as trying to minister to all the three areas is concerned. One of the big problems has been that, if I went to Edna Bay, that I might not have any way of getting back to Craig in time for Sunday services. I have just realized that the mail boat comes from Edna Bay to Klawock to Craig, every Thursday or Friday, so that it seems that I should be able to get a ride on it, if the weather looks bad. I do want to go down and see them and possibly

Other

strike up a friendship with them. That would relieve me of a lot of anxiety if they wouldn't mind picking me up and bringing me home when I went to Edna Bay. It would also mean that I wouldn't hesitate to make more trips to Edna Bay.

The road is complete between Cape Pole and Edna Bay. So, that anyone who ministers to the people in Edna Bay also has access to the people in Cape Pole. There are probably about fifty to sixty people there, with about thrity of them being single men.

Our offering at Edna Bay was $7.14 this time. I will send it with this letter, and use part of it for a money order.

MONTHLY REPORT, CONTINUED (Original and 3

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I forgot to put on my previous reports, my actions in regard to the children in town against whose parents we were going to sign a petition. After much thought, I came to the definite conclusion that I couldn't sign the petition because, especially the people in Klawock, would think of me as a policeman, and I wouldn't be welcome in their homes to work with them. They would be thinking that perhaps I was looking a t them to see what I could find wrong so that I could sign a petition against them. So I felt that it wasn't worth it. However, Mrs. Hind, who is in charge of Child Welfare in Ketchikan came over here for a visit, and the School Principal and I talked with her at great length about the problem and she refused to sign any petition or to take any definite action. She did visit the home and talk with the parents, but it did no good. A second family whom we mentioned was also visited by Mrs. Hind, and there she got results. One girl is being sent to Seattle to a school for exceptional children. She is mentally retarded and needs guidance. Her sister is also going south for school to live with friends. Anything would be better than where they are now since the mother is constantly living with other men. At least we feel that we did some good.

I was at our Junior High Camp for the first two weeks in June, and Phyl and the Elder s took over the services. I think that they did a good job in my absence. The camp was especially good. It was the best one that I have been to for Junior Highs. I think we communicated our faith in Christ and what it means to be a Christian better than at any other camp. They seemed to really understand it.

Our officers met, and we are laying plans for our addition of a kitchen to the church. Our long-range plans are to lower the ceiling in Swanson Hall and prepare rooms for Sunday School and other purposes upstairs.

We are starting to get the young people of both Craig and Klawock interested in crafts. We have already done copper work, lacing, and leatherwork in limited amounts. It isn't an easy thing to do since they lack the power of concentration. We have great plans for it though, and quite a bit of materials have been acquired.

The Vacation Bible School girls are here and doing an excellent job. They are the best team we have had yet, and they are working together wonderfully well.

For a long time I had wanted to visit the cannery at Waterfall where some of our local people are working. It is located halfway between Craig and Hydaburg. The women from Craig had asked me to go, and finally last week I ventured down there with one of the local women going along to keep me company. The response was wonderful. I made several visits with the people. There were many there from Hydaburg, some from Craig, and some Presbyterians from Ketchikan.

I wanted to go so that they would know that the Church was still working and interested in them in the summer too, the time of greatest temptation, and the time when people take vacation from church. We had a service in the Philippino mess hall. There were a bout 50 Philippinos waiting to eat who sat down and listened very quietly and attentively. In addition, there were about 35-40 Indians and white people who came. And it was an impromptu meeting! They didn't know I was coming, and the meeting had to be changed at the last minute. They want to do a lot of singing, so I have to take books with me next time. I hope to go for the next two Mondays until we go to Ketchikan for a few weeks vacation.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

For several months during the summer we have been painting the church. It is not complete, but the worst parts of it have been painted, and itlooks like a new church. The windows and trimming are being changed from black to a bright blue which makes it look much more appealing and like a church in a fishing village should. (I think) We have also just had the floors sanded this month (August).

Phyllis has been in Ketchikan for eight weeks tomorrow expecting a child. I am leaving today (August 8) for a three week-vacation there.

This month I made two trips to Waterfall cannery, and have written Paul Moyer about continuing the work throughout the few remaining weeks of the summer. The response was very good, and I'm sorry that I couldn't continue to make those trips. We had about 85-90 the first time and 35-40 the second trip who came to the services. One of our members from Craig wants to start a Sunday School there, so I have had some materials sent to her.

The Bible Schools went over very well. In fact, they were the best we have had in Craig, and from last year and this year~~s~~they in Klawock, this year was by far the better one. The success for all of this was due to (1) the help of God, (2) the best Bible School team we have had yet, and (3) we are gaining momentum in the Bible School program. The children attend Sunday Church School more regularly, and they are eager to have the Bible School teachers come. The closing programs were especially good. There was more parental interest this time than ever before.

The girls also did some very fine work around the two churches. In Klawock, we laid asphalt tile in the balcony of the church, which is really a large area, and helped in putting up panelling in one of the downstairs rooms. The people also cooperated in helping to clean things up. In Craig they painted a good part of the manse, cut down the weeds in front of the church, and painted one of the rooms in the church.

Craig and Klawock have agreed to be hosts for the Fall meeting of Presbytery. It will come around September 15. So far the cooperation has been good, and it will be good for the churches to have it.

The Hensyels (Penteccstal Church) are back in Klawock with another family with them. They are not succeeding in winning any more to their church. They are still losing momentum and there are rumblings that our defected elders are dissatisfied with them.

The Bible School girls left on the morning of Friday, August 8 for Sitka, and Jim and I left on the afternoon plane for Ketchikan. On the following Sunday, Jeffrey Robert was born in the Ketchikan hospital.

I stayed over in Ketchikan over three S unday's, and returned to Craig on August 29. In Klawock, our people worshipped with the Salvation Army in our church, while I was gone. In Craig, I had taped three sermons which they played, and the members and officers of the church held the rest of the service.

Sunday School was very spasmodic in Klawock. I couldn't get any figures out of our teacher there. However, I now have several teachers lined up to teach during the winter, and they all appear to be good. They are young, and I think that they will do a good job.

Just before I left for Ketchikan, we had had the floor of the church sanded by McGillvray Brothers of Ketchikan, and I had put on two coats of floor hardner before I left. The rest of the job of putting carpeting under the pews and putting on the third coat was done by the people here.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The most important event of the month was the coming of Alaska Presbytery to Craig and Klawock. I felt that it would be very good for the two towns to have them come. There were 22 delegates from all over southeastern Alaska. Lodging was available for all of them in the homes of the people of Craig. Klawock didn't take any. They stayed only two days, even though we were prepared to handle them for three days. They had a meeting on the first Tuesday evening when they arrived, in Craig. After Presbytery met all day Wednesday in Craig, they had another meeting there in the evening. Then on Thursday, we moved to Klawock. We had our meetings there all day, they fed us there, and then the Klawock Church was dedicated in the evening.

Our young people's work needs a complete re- organization. This has been delayed until the Klawock Church decides when they want to worship on Sunday's. Then I can set up some kind of a schedule. I would like to have the Craig Senior High's separate from the rest, if I can ever arrange a time for them.

The Craig Trustees are now taking over more responsibility, at least in their meetings. While I went to Edna Bay, they met and are arranging the budget and the rest of their business.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

The month of October began on a negative note with a congregational meeting in Klawock to determine when they were going to have their morning service. It was holding it at three o'clock, and in the discussion they wanted it to be at 11 o'clock. They then authorized the Session to meet with the Craig Session to arrive at a suitable time. When they found that the Craig Session wanted to hold on to the 11 o'clock service, the Klawock Session refused to meet with the Craig Session. They then decided themselves that the morning service would be at 2:00 instead of 3:00. At a following congregational meeting that was called to confirm the new time, only two members appeared. So they decided to abide by the Session's decision, and so it stands. The situation has definitely calmed down since the new time has been arranged. It appears to have met with the approval of the people.

One of the hardest problems has been the organization of the Klawock Sunday School teachers into a working unit. Since they have no district present to continually encourage them, and since they are all inexperienced, it has been hard for them to keep going. I asked them if they wanted to meet every week, and they said that they did. So, for a few weeks, we met and talked over the lessons and methods of teaching. It appears to have helped. We have good material in the teachers who have volunteered their services, but they need a lot of training.

I think that the October Preaching Mission was the most successful of any that we have had yet. This is due to the personality and ministry of the visiting minister. Rev. Reynold Stovall was our visiting minister. He was completely composed in any and all situations. He took everything in his stride, and enjoyed himself. He was a good speaker and did good for the people and the pastor and his family. We had a very successful young people's banquet while he was here on Tuesday, and a very successful Young Adults Dinner and Discussion Session. He both of these we combined the people of both Craig and Klawock into one group. It worked out fine. Among the young people, the young adults, and the Sunday School workers, there is little ill feeling between the two towns. Most of the ill feeling seems to be from the older people in Klawock. By "older" people, I refer to those of middle age, but the aged.

We had a public school teacher in Craig who was a homosexual, and finally was ousted from his profession and the town. He had been extremely successful in reaching the young people of the town who could see nothing wrong with him, and supported him in everything he did. About the same time he left, one of the other teachers was married, and so I filled in for this second teacher for two weeks. I was able to help still the waters among the young people.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Craig	Congregational Meeting		12
	Sunday School		[illegible]
	Thanksgiving Service		55
	High School Westminster Fellowship	11	11

[illegible] community of Klawock was saddened this month by the loss of one of their prominent men. He was John Peratrovich, Sr. He was a very fine man. He evidently fell overboard in his skiff as he went out fishing alone. His body has never been recovered. I [illegible] a Practice Tid also [illegible] of the sacred meetings. The Chester set with his wife and mother, as did the PTA of Craig. Of course, I visited them several times.

Phyllis went to Ketchikan with Jimmy and the baby for dental appointments. I was sick for a week as well, ff and on, with the flu of some kind.

Our first afternoon 2:00 Worship services began in Klawock on Nov. 23. For the two weeks of this month, they have been very successful. Our Sunday School is moved up to 1:00.

Nov. 23 was also the beginning of our new High School Westminster Fellowship in Craig, which for three weeks has been extremely effective. We are overjoyed at the results. We hope they won't slack off. All of the boys attend, and most all of the girls, except two or three. We have singing, fellowship, games, devotions, discussion, and refreshments. We can't lose with that, I don't think. We meet in the manse, and it makes for a homey atmosphere. This is the main part of the revising of our young people's program, and it is working out fine.

Also, some of the people in Klawock have asked about a Bible Study in which they can really study, so I am beginning a study on the life of Christ from the Book of Mark. I make up a printed sheet of each chapter with questions and paragraph titles. There is not a large response, as usual, but those who are finding it helpful, I'm sure.

Our Thanksgiving Day services were highly successful. The PWO in Craig held them here. That has become a tradition, and they have now done it for several years. I went to Klawock for the service there. There were 20 at Klawock, and 55 at Craig.

To top off a good month, which had a bad start, we had our most successful Every Member In ever in Craig that we have had yet. Everyone who ******* signed a pledge card will receive envelopes. We had several new people who had never signed pledges before, and were proud to be able to do so. The officers themselves made the canvas, which is as it should be.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

I had a q uick trip to Edna Bay. I wasn't held over due to weather.

I wanted to have my service the second night I was there, so tha t I could publicize it, but a meeting of the women's group had been planned for that night, and I didn't want to infringe on it. So, I had it the first night I was there. The result was that there were only four people present. We had a discussion type of service on the meaning of the church, and although there weren't many there, I felt that the meeting was very profitable.

The next night, I had a meeting for just the children and young people. They usually crowd the adult meeting, and keep things from running smoothly, so I have a special night for them. I feel that they enjoyed it and received help from it.

Because there were so few adults at the first service, I didn't take any offering.

There are many families in Edna Bay that have had ma rriage problems, and have broken up. Two people are breaking up their homes, and marrying each other in the logging camp, planning to stay there to live and work. It is sort of a mess. There are also rumblings of other marriage breakups, but I don't think they are serious. I made many visits while I was there. I stayed in the bunkhouse with the men, and ate with them, and was able to make more valuable contacts that way.

I do still have very strong friendships at Edna Bay, and am forming new ones. I am very sorry that I haven't been ba ck there for some time. I think that that is the major drawback. Even though there weren't many at the service, I feel that I was able to do much in the visits that I made. I contacted most of the people in the camp.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

From December 14 until February 22, there has been a larger attendance at Klawock than at Craig every Sunday, except one. Ten out of the past eleven weeks, Klawock has had the larger attendance. They have also had larger attendances at the Candlelight and Watch Night Services held during December in both churches. For the Candlelight services, there were 59 present in Klawock, and 32 in Craig. For the Watch Night services, there were 85 present in Klawock, and 25 in Craig. I mention this, beca use I don't think that it is only a fla sh in the pan, but that it is a growing thing. I believe that this will cause the Presbytery and the Board a problem during Presbytery when this record is pointed out, and they either ask, as they did last year,for (1) the minister to live in Klawock, or (2) that they have a minister of their own. I felt that you ought to be aware of this probability.

I feel that Brian's visit gave an official viewpoint from the Board that made them realize that they aren't going to get their own minister without some effort. I feel that that played a big part in building up the church. I feel, too, that if the Board had sent a spokesman to personally present this when the switch was made to one minister, that many of our problems might have been avoided.

Our High School Westminster Fellowship program that started out with such a bang, finally fizzled out. I feel that the program was carried out, but that they just lost interest, as they generally do.

Our Sunday School teachers have been doing fine in both towns. We have tried to draw them together by having joint meetings, and they have worked out very well. I am very pleased with them.

On Dec. 14 there was a tree down across the road, and I wasn't able to get to Klawock, because I didn't know about it until we met it on the road. However, the elders carried on, led in fine style by Archie Demmert, our Public School superiftendent.

Our Klawock Choir practiced and sang for Christmas. There was no response in Craig. A further sign of Klawock's rejuvenation.

The Monday before Christmas, there was a joint community program in Craig between the School, Presbyterian and Pentecostal Churches, and the Moose. It was very fine and a good step. During Christmas, the Klawock Choir went carolling, and so did the Junior High young people.

On December 28, both churches heard personal tapes sent to them from Dr. McClenney who was the doctor in Klawock for so long, and Evelyn Hunter. The Watch Night services were excellent.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Items of note:

Church: Congregational meeting increased number of Deacons to 5. There were more nominations for office than at any time in recent years, indicating an increasing reservoir of officer material.

Financial reports indicate that the church has been gaining on the indebtedness, having paid of more than $1500 in back debts during the year while meeting the current operating expenses. A budget for 1958 was adopted incorporating the balance of the indebtedness as a regular charge against monthly income, in the hope that 1959 may find us free and clear. There is a more hopeful attitude now that there has been in some time. Miss Eleanor Craig of Haines House is the new treasurer, and the affairs of the church should not again be dragged down into obscurity through poor bookkeeping as has happened in the past.

The redecoration of the sanctuary has produced a further result: one of our women, not an officer, nor otherwise active, became obsessed with the thought that the church should have new drapes. On her own initiative, (but with the concurrence of the boards,) she organized and conducted a bake sale and raised over fifty dollars for the purpose!

Youth activities are at their most difficult period, as Basketball twice a week and frequent trips of teams and rooters to other communities, as well as occasional Sunday games, disrupt schedules! However, the W.F. conducted the service on W.F. Sunday, January 26th, with about 40 young people taking part in choirs and leadership.

Personal family life has undergone a change, as Ruth and I are caring for a six-month-old Klukwan baby whose parents are out for extended medical care. We will probably have to take the rest of the children (two boys and two girls) unless Haines House relieves the load by taking the two school-age boys, as the foster home where they have been staying is no longer able to care for them.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

During February one additional 'Family' of activities was added to our program: due to the collapse of the local Lions Club which has in recent years sponsored scouting, the church stepped into the breach at Scout Week and adopted the community Boy Scout program. This includes a fully organized Scouting Family; Cub Pack 70, with about 25 boys enrolled; Troop 70, B.S.A., with a similar number; and Dalton Trail Post 70, Explorers, with about the same number of boys on the roll. The Pack Committee and the Troop-Post Committee both contained a majority of our Presbyterian men already, and the Session did not ask to have the groups reorganized with the change of charter.. Attendance at the meetings is not reported accurately this month, but will be included in later reports as a church activity.

Church Officer Training continued with a two-hour session the first Sunday afternoon.

World Day of Prayer service took the place of the Women's Association meeting and with 33 attending was one of the best yet.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Highlight of the month is the beginning of a Men's organization. Discussed by the Deacons at a February meeting, the matter was referred to the Session, who voted permission to organize the men as a chapter of NCPM. A special meeting of the men officers of the church developed the strategy, and planned a supper meeting of the church men. A carefully selected list was drawn up, and after the general announcement to every man, the officers made personal visits to the selected list of the men who it was felt would be the nucleus of a group. The goal was thirty 'regulars' at the pre-organization supper meeting. Walter Soboleff was the speaker, and 31 men besides the speaker and myself were present. A committee was formed to study organization, plan another meeting, and present suggestions for a slate of officers. This organization meeting will take place in April, but the date has not yet been set.

Another highlight was the organization of an adult communicant class. Eleven were enrolled, including several members of the church who decided they would like to know more about it. At the close of the ~~three~~ two-hour Sunday afternoon sessions, and one-hour meeting with the session, there will be two joining by letter, one on reaffirmation of faith, and two on baptism and confession. Two other adults are entering by letter, having studied the materials but unable to attend class. Three young people are in the youth class.

YOU ARE INVITED TO THE SERVICES OF HOLY WEEK:

+ Thursday night, 8:00 p.m., April 3rd: HOLY COMMUNION by candlelight. All are welcome to partake who are professing Christians. New members will also be received at this time into the fellowship of the congregation.
+ Friday afternoon, 1 to 3 p.m., April 4th: GOOD FRIDAY SERVICE, in which all Protestant groups in the community will unite. Participating will be Rev. Leonard Olson of the Assembly of God; Rev. Wendell Terwilliger of the Port Chilkoot Bible Church; Rev. Leon Head of the United Pentecostal Church; Mrs. Pauline Helms and Mrs Dorothy Stufflebean of the Haines Baptist Mission; and Rev Henry D. Hartmann of the Presbyterian Church, as well as choir and soloists. You are welcome to 'come when you can, leave when you must'. The service is in the Presbyterian Church this year.
+ Sunday, Easter morning at 6:30 a.m., EASTER SUNRISE SERVICE, to be held out-of-doors if the weather permits, otherwise in the church. Easter Breakfast for the worshipers will follow in the Rec Hall.

Later, two identical Morning Services (except for incidental music) will be held in the church at 9:30 a.m. and 11:00 a.m. Come to the one most convenient for your family. There will be no church school on Easter Sunday.

The Cantata, "He Is Our Peace" by Ruth Hartmann will be presented on Easter night at 8:00 p.m. with a chorus of 80 voices in the church. All are welcome.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Perhaps due to the winter tensions unresolved by the early spring, this has been a month of rather intensive pastoral counseling. Except for the times I was away at Presbytery and the like, the 'office calls' averaged one a day, usually an hour or more in length. Marital problems, questions of faith, pre-marital counseling, and personal problems predominated.

The Easter services survived a rainy morning. We had prepared for 100 at the Easter Breakfast, allowing a 25% increase over last year. There were 113 (two who were at the sunrise service didn't stay); the coffee ran out, and thru some perversity of the stove we couldn't get the water for the second round boiling in time. But a wonderful time was had by all.

The most fun of the month, however, was the choirs' trip to Juneau for the weekend of the 27th. The Princeton-Hall waited over after the trip to Presbytery, and in addition we chartered the North Wind. Leaving the two junior choirs with a substitute organist and Mr Wiley in charge of the service, the two older choirs, Westminster and Chancel, fifty-seven strong, (three of whom had to stay home for various reasons) embarked on Saturday morning at dawn. Met at Tee Harbor by aschool bus and assorted private cars capably assembled by Ken Smith, we [redacted] were whisked to Juneau where we found our hosts waiting, then had a quick rehearsal at the Memorial Church, leaving most of the afternoon and evening free for shopping, movies, etc. The next morning the same transportation system took us to the Auke Bay Chapel for the morning service, where we did the Holy City of Gaul, a full hour performance. The afternoon was for sightseeing, and the evening service was a repeat of the oratorio at Memorial Church in Juneau. Immediately thereafter we were aboard the boats, and slept our way to Haines arriving in the early morning in time for work and school on Monday.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Outstanding this month:
C.O.T final meeting May 4th, with enthusiastic response to plans for beginning again with series 2 in the fall.
The Choir Festival (choir recognition Sunday) May 18th, when 100 members of the 5 choirs sat in the chancel at the conclusion of the program year.
Work camp at Rainbow Glacier with over 30 young people participating, the same weekend.

The last ten days of the month I spent en route to, and at, General Assembly.
During my absence Elmer Parker preached at Haines, Bill Wiley at Klukwan.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

June has been a month of extracurricular activities: I began it while still attending General Assembly, arriving back in Haines while the Rainbow Glacier II Junior Hi Camp was already in session. I served the camp as maintenance man for two weeks, until the 18th, making the daily trips to town which enabled me to keep in touch with the parish. I have no record of the calls made during this time, though two funerals and the attendant problems occurred in this period. There was a large wedding on the 21st, and the 23rd saw the beginning of a two-week vacation school in the morning and the arrival of Dr. Jackman's Alaska Seminar in the afternoon.

The outstanding achievement of the month was the assembling of the men of the church for landscaping work on the church grounds, on the 18th and the 21st

After the close of Vacation Church School on July 3rd and the busy 4th of July weeke end that followed it, we had hoped to be able to take a month of vacation in our cabin. Fortunately, for two Sundays the ministers leading the two work camps at Haines House were available to preach, but I did sit in the pulpit with them. The folks of the churchwere understanding enough not to bother us during the time, but when Elmer Parker was forbidden by the doctor to work any more for a while, we felt it was wisest for us to take him in, and so returned to Haines.

The present schedule is a makeshift, and is not completely satisfactory to Klukwan, of course, but it is the best we can do: Morning Service in Haines, evening services in Klukwan on Sundays and Wednesdays. We have asked the cannery people to come into Haines for services, and this they are doing. I believe the Klukwan elders will try to hold morning services themselves on Sundays. Klukwan figures appear on Elmer's reports.

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Mr Parker is (as of this week) able to resume normal activity. During August he has been commuting to Klukwan for services and visits, and living here, and will probably continue to do so this month.
I wasdean of the Rainbow Glacier camp IV August 4 to 11.
Rev. Austin Van Pelt of Sitka preached at Haines on August 10, while I was at camp.
The rest of the Sundays I filled the pulpit myself, though confined to the house most of the period from 8/11 to 8/26 with a virus cold.

This means that there's not much to report for August. Church activities will resume after the planning conference September 6-7.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Activities in September:

1) Choir schedule resumed with registration 9/3. The figures show the results. The Junior Choir exceeded the number of robes and is being divided again this fall into Junior and Carol choirs.

2) Officers Planning Conference was held at Rainbow Glacier Camp Grounds on the first weekend. Ten officers out of a possible 18 attended. Besides making plans for the fall program, we started the secind year's series of C.O.T. discussions which will continue monthly throughout the year.

3) I was at Presbytery or on the way there and back, Sept 14-20.

4) Women's Association 9/21 heard report from Purdue by Shirley Wooden.

5) A Christian Education committee on the recommended pattern has been formed with one session member, two coöpted members, including the Hi School principal. We are having increasingly difficult time keeping teachers in the older age brackets, Jr Hi and Sr Hi, due to discipline problems with the groups. However, a concentration on this problem is producing some solutions, and we should enter the fall with a full complement of teachers in the Sunday School.

6) Westminster Fellowship has not formally begun its program, but two meetings have been held to work out details of the program. It appears necessary to divide the group this year, as it has gotten too large. The High School group will meet with the Junior Hi group for business and worship, but the two age divisions will separate for their program and discussion; sometimes reuniting and sometimes not, for the social hour at the close. Like the teacher-adviser program worked out for Sunday School, this program also is subject to reevaluation and revision in January.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Highlights of the month:

World Wide Communion October 5th was preceded by a visitation program carried on by the officers of thechurch, with a resulting high attendance of 92 communicants.

The Alaska Preaching Mission is more fully reported in the separate report. Our visitor was Rev. John G. Marvin, of Denton, Texas. He was very well received, and left a lasting impression.

Our young people took part in the 'Trick of Treat for Unicef' program, raising some $80.

I was absent from Haines on two occasions, October 22-23, for the joint meeting of the merger committees of the Juneau churches; and October 26-Nov.2 for the Northwest Regional Camp & Conference Training Program. Bill Wiley preached on the latter occasion.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Young people's meetings this month have been attended with serious discussion, probably the most actual study that these groups have done. Using a series of films and filmstrips on the alcohol problem (factual materials, largely from the Alaska Department of Health, rather than temperance films) sometimes in separate Junior Hi and Senior groups, sometimes in a joint meeting, we seem to have struck at one of the real problems our young people face.

The visit of Dr. A.K.Stewart coincided with our regular Family Night supper, which gave us a chance to meet him as a congregation, and also for him to see us as we are. The program for the supper was a surprise 'housewarming' shower for one of our families which was burned out last month.

Thanksgiving Day service, traditionally in charge of the Women's Association, provoked a great deal of discussion around the community, even among those who were not in attendance. The service of praise was built around a choric speaking choir, with interpretive dancing during portions of the choruses. The program, though unusual, was deeply worshipful and reverent, and drew the largest attendance we have seen at a Thanksgiving service - standing room only.

A tragic accident at night on the Lynn Canal between here and Skagway, of unknown location and nature, took the life of one of our outstanding native men, John Lawrence, on November 17th. His body was discovered nearly two weeks later, on a lonely beach, but the boat has never been recovered. During the long search for the missing man, the manse served as a sort of unofficial clearing house for information: the Lawrences have no phone, and in addition my short wave receiver kept us up to date on the Coast Guard situation-reports as the cutter searched the channels and islands. Like last month's tragedy,(the death of a small boy from croup,) the entire community was shocked and saddened.

MONTHLY REPORT, CONTINUED (Original and 3 carbons)

Report highlights of work accomplished, indicating progress in program for the year; relate successes, gratifying experiences, special problems or needs; and summarize special meetings and activities. If space is insufficient, use plain paper to complete report.

Activities of the month include the usual Christmas hustle. Programs at Christmastime included "the Messiah" and a Christmas Cantata by the choirs. Christmas eve caroling by two different groups, and a Christmas midnight service with a Christmas play (adult cast).

In cooperation with Haines House, we promoted "Operation Hospitality" which placed every child at Haines House in a local family over Christmas Day. Our Family Night this month was on Haines House, using "a Shining Tale" (1940) and "At Home at Haines House" (1957). Several persons brought pictures of former days, and Bill Wiley described the program & answered questions. We are thus trying to counteract some of the community antagonism toward "the Mission" program. I have also been asked to sit in with their Christian Ed. committee on mutual problems.
